

## Argument Structure

For each argument find the premise, the hidden premise, and the conclusion:

Thomas Szasz

Since there are no mental diseases, there can be no treatments for them.

Chicago Daily News

If marriages were really falling apart, divorced persons wouldn't be as eager as they are to find another partner as speedily as possible.

The Economist

It is difficult to gauge the pain felt by animals because pain is subjective and animals cannot talk.

William Shakespeare

Forbear to judge, for we are sinners all.

Aristotle

The earth has a spherical shape. For the night sky looks different in the northern and southern parts of the earth, and that would be the case if the earth were spherical in shape.
