

Rise of Christian Right/Culture Wars

Paul Weyrich – New Right theorist, founded Heritage Foundation

Phyllis Schlafly – Led anti-abortion, antifeminist movement

Fusionism – theory of uniting both cultural and economic conservatism

Charles and David Koch – billionaires, owner of Koch Industries; funded libertarianism

Busing – effort to integrate schools by busing school children across district lines

George Meany – Longtime President AFL-CIO, enemy of the antiwar movement, New Left

Identity Politics – idea on left that issues should focus on gender/race/sexuality, not class

Brahmin Left – notion that the modern left is based on the highly educated and affluent; leaves out working class
